787 Dreamliner

YOUR FUTURE IS BUILT HERE

With the 787 Dreamliner, our people changed the way everyone builds airplanes. How will you change the world with Boeing?

boeing.com/careers

Boeing is an Equal Opportunity Employer. Employment decisions are made without regard to race, color, religion, national origin, gender, sexual orientation, gender identity, age, physical or mental disability, genetic factors, military/veteran status or other characteristics protected by law.

CAREER OPPORTUNITIES

Boeing is the world's largest aerospace company and leading manufacturer of commercial airplanes and defense, space and security systems. We are engineers and technicians. Skilled scientists and thinkers. Bold innovators and dreamers.

Join us, and you can build something better for yourself, for our customers and for the world. Would you like to be part of a team that manages one of the most dynamic and complex supply chains in the world? If the answer is yes, then we have an opportunity that may be a great fit for you.

Opportunities

Procurement Field Manager

Description:

Boeing is seeking a first level manager for the Japan onsite team in Nagoya and/or Tokyo. The primary focus of this position will be to support 737, 747, 767, 777, 777X and 787 production and supply chain management, working with Subaru, Kawasaki Heavy Industries and potentially system and interior suppliers across the integrated Japan teams.

As a Procurement Field Manager you will manage procurement field representatives, manufacturing operation analysts, and supply chain personnel.
